As of Thursday September 23, the Fitness Centre requires either proof of vaccination, negative Covid-19 test result or a medical exemption letter, to access the facility.

Details for providing proof of vaccination, negative Covid-19 test, or valid medical exemption:

- All tenant access cards have been deactivated to the fitness center at 4 p.m. on Thur., Sept. 23.
- Reactivation: Until Thursday, September 30, Fitness Centre members can provide proof of vaccination or medical exemption letter to either the Fitness Centre staff or the 24/7 manned QuadReal Security Desk/Office to have access reactivated. Effective October 1, members will need to provide proof of vaccination or medical exemption to the Fitness Centre Staff only. Proof of double vaccination or medical exemption will only need to be provided once. Proof of a second dose will be required by October 25.
- Proof of a Negative Covid-19 Test (within 72 hours) will only be accepted in person by fitness centre staff during staffed hours, as card access will not be reactivated for proof of negative tests. Please contact the fitness centre staff to arrange a time to meet to ensure staff are available when visiting the facility.

Dosage Requirements for Vaccination:

- Between September 20 to October 25: proof of a single dose is accepted if you received the dose more than two weeks before entering the facility.
- After October 25: proof of double vaccination (or single Janssen dose) with the final dose administered at least 14 days prior to entry is required. Card access will be deactivated if proof of a second dose isn't provided by October 25.
