Changeroom Closure

In an effort to contain the spread of COVID-19, a decision has been made to close the Changerooms located adjacent to the secured bike cage, effective Friday, May 15th at 6:00pm until further notice.

This decision was not made lightly, and is a proactive measure in reaction to the potential increased building population over the coming weeks. It assists with the need for focused disinfecting in critical areas, supports in the reserve of disinfecting product, and eliminates the potential risk through shared lockers and difficulties with physically distancing in this confined space.

The health and safety of our Tenants and our employees remain our top priority in our response and dedication to enhanced disinfection and prevention of the potential spread of this virus.
