Livingston Place Fitness Centre Closure

As the number of positive COVID-19 cases within the City and our properties have increased considerably over the past few weeks, we have made the difficult decision to close the Livingston Place Fitness Centre for at least a two week period. Today's bookings will remain available, however, all booked sessions from tomorrow onward will be cancelled.

The health and safety of our Tenants and our Staff remain paramount. Enhanced cleaning and disinfection measures continue throughout the property and we are committed to providing a safe environment for all.

Should you have any questions or concerns, please contact Sharlene Quian, Property Manager at Sharlene.quian@quadreal.com or 403-202-7531.

Take care,
