

Covid-19 Vaccine Passport Bylaw

The City of Calgary Vaccine Passport Bylaw 65M2021 requires many businesses and organizations to request proof of full vaccination, recent negative Covid-19 test, or valid medical exemption letter to gain entry: <https://www.calgary.ca/csps/cema/covid19/safety/COVID-19-vaccine-bylaw.html>.

As of October 25, the Fitness Centre requires its members to provide either proof of full vaccination, a negative Covid-19 test result or a medical exemption letter to access the facility.

Details for providing proof of vaccination, negative Covid-19 test, or valid medical exemption:

- All tenant access cards have been deactivated to the fitness center at 4 p.m. on Thursday, September 23.
- Reactivation: Fitness Centre members can provide proof of vaccination or medical exemption letter to the Fitness Centre staff during staffed hours:
 - Monday/Tuesday/Wednesday: 9 a.m.-5 p.m.
 - Thursday/Friday: 7 a.m.-3 p.m.
- Proof of double vaccination or medical exemption will only need to be provided once.
- Proof of a Negative Covid-19 Test (within 72 hours) will only be accepted in person by fitness centre staff during staffed hours, as card access will not be reactivated for proof of negative tests. Please contact the fitness centre staff to arrange a time to meet to ensure staff are available when visiting the facility.

Dosage Requirements for Vaccination:

- Members must provide proof of double vaccination (or single Janssen dose), with the final dose administered at least 14 days prior to entry.
- Starting Monday November 15, Alberta Vaccine Cards with QR scan codes will be the only accepted proof of vaccination documentation.
